3.2.1 CORPORATE GOVERNANCE STRUCTURE

SBM Offshore N.V. is a limited liability company (*Naamloze Vennootschap*) incorporated under the laws of the Netherlands with its corporate seat in Amsterdam. The Company is listed on Euronext Amsterdam. The Company has a two-tier board consisting of a Supervisory Board and a Management Board. Each board has its specific roles and tasks regulated by laws, the articles of association, the Corporate Governance Code, the Supervisory Board rules and Management Board rules. Both sets of rules are published on the Company's website, together with the articles of association.

3.2.2 MANAGEMENT BOARD

The Management Board manages the Company and is responsible for the continuity of the Company and its business. The Management Board establishes a position on the relevance of long-term value creation and strategy for the Company and its business and takes into account the relevant stakeholders' interests. In fulfilling its responsibilities, the Management Board is guided by the interests of the Company and its business.

Each year, the Management Board presents to the Supervisory Board the strategy of the Company, the Operational Plan and the financial objectives that allow quantification and progress measurement of the strategy implementation.

The Management Board is responsible for determining the Company's risk profile and policy, which are designed to realize the Company's objectives, to assess and manage the Company's risks and to ensure that sound internal risk

management and control systems are in place. The Management Board monitors the operation of the internal risk management and control systems and carries out a systematic assessment of their design and effectiveness at least once a year. This monitoring covers all material control measures relating to strategic, operational, financial, compliance and reporting risks. Among other considerations, attention is given to observed weaknesses, instances of misconduct and irregularities and indications from whistle blowers. A regular risk report is provided to the Supervisory Board.

The Management Board adopted corporate core values for the Company that contribute to a culture focused on long-term value creation. Members of the Management Board may also be appointed to the statutory board of the Company's operational entities.

3.2.3 SUPERVISORY BOARD AND COMMITTEES

The Supervisory Board supervises the policies, the management of the Company and its businesses, the effectiveness and the integrity of the internal control and

risk management systems and procedures implemented by the Management Board, as well as the general conduct of affairs of the Company and its businesses. The Supervisory Board also supervises the activities of the Management Board in relation to the creation of a culture aimed at long-term value creation for the Company and its businesses. Furthermore the Supervisory Board assists the Management Board with advice in accordance with the Corporate Governance Code, the articles of association and the Supervisory Board rules. In the performance of its duties, the Supervisory Board is guided by the interests of the Company's various groups of stakeholders. In addition, certain (material) decisions of the Management Board, as stipulated in the Dutch Civil Code, articles of association or the Supervisory Board and Management Board rules, require the Supervisory Board's prior approval.

Due to Andy Brown stepping down per December 31, 2020, the Supervisory Board currently consists of seven members. Members of the Supervisory Board are appointed by the General Meeting of Shareholders following nomination by the Supervisory Board.

A Supervisory Board member is appointed for a period of four years and may then be re-appointed once for another four-year period. A Supervisory Board member may subsequently be re-appointed again for a third period of two years, which may be extended by at most two years. Further information about the appointment and dismissal of Supervisory Board members can be found in SBM Offshore's articles of association.

The Supervisory Board appoints one of its members as Chairman and one as Vice-Chairman.

The Supervisory Board has three subcommittees: the Audit and Finance Committee, the Appointment and Remuneration Committee and the Technical and Commercial Committee. The Appointment and Remuneration Committee is a joint committee with two separate chairpersons and two separate tasks: the selection and appointment preparation of Management Board and Supervisory Board members and the preparation of decision-making regarding remuneration matters. The task of each subcommittee is to assist and advise the Supervisory Board in fulfilling its responsibilities. SBM Offshore has an internal audit department with direct reporting to the Supervisory Board through the Audit and Finance Committee. More information about the ways of working of the Supervisory Board and its committees can be found in the Supervisory Board and Committee rules, as available on the Company's website. The Supervisory Board has drawn up a retirement schedule for its members, which is also available on the Company's website.

million. Proposals of persons who are entitled to attend the shareholders meetings will only be included in the agenda if such proposals are made in writing to the Management Board not later than sixty days before that meeting.

With reference to the articles of association, all shareholders are entitled, either personally or by proxy authorized in writing, to attend the General Meeting of Shareholders, to address the General Meeting of Shareholders and to vote. The articles of association do not provide for any limitation of the transferability of the ordinary shares and the voting rights of shareholders are not subject to any limitation.

At the General Meeting of Shareholders, each ordinary share with a nominal value of EUR0.25 each shall confer the right to cast one (1) vote. Each protective preference share with a nominal value of EUR0.25 each shall confer the right to cast one (1) vote, when issued. None of the protective preference shares have been issued to date. Unless otherwise required by law or the articles of association of the Company, all resolutions shall be adopted by an absolute majority of votes. Due to COVID-19, the 2020 AGM was held virtually. 128,140,565 ordinary shares participated in the voting, equal to 64.50% (2019: 66.92%) of the then total outstanding share capital of 198,671,305 ordinary shares. The outcome of the voting of the meeting was posted on the Company's website on the day following the 2020 AGM. A proposal for a new Management Board remuneration policy will be submitted to the 2021 AGM.

3.2.6 ISSUE, REPURCHASE AND CANCELLATION OF SHARES

The General Meeting of Shareholders or the Management Board, if authorized by the General Meeting of Shareholders and with the approval of the Supervisory Board, may resolve to issue shares.

The General Meeting of Shareholders or the Management Board, subject to the approval of the Supervisory Board, shall set the price and further conditions of issue, with due

observance of the provisions contained in the articles of association. Shares shall never be issued below par, except in the case as referred to in article 2:80 (2) Dutch Civil Code. At the 2020 AGM, the shareholders have delegated to the Management Board for a period of eighteen months and, subject to the approval of the Supervisory Board, the authority to issue ordinary shares up to 10% of the total outstanding shares at that time. In addition, authorization was granted to restrict or to exclude pre-emption rights, as provided for in article 6 of the Company's articles of association for a period of eighteen months and subject to the approval of the Supervisory Board.

The Management Board may, with the authorization of the General Meeting of Shareholders and the Supervisory Board and without prejudice to the provisions of article 2:98 Dutch Civil Code and the articles of association, cause the Company to acquire fully paid-up shares in its own capital for valuable consideration. The Management Board may resolve, subject to the approval of the Supervisory Board, to dispose of shares acquired by the Company in its own capital. No pre-emption right shall exist in respect of such disposal. At the 2020 AGM, the shareholders have delegated the authority to the Management Board for a period of eighteen months, as from April 8, 2020 and subject to approval of the Supervisory Board, to repurchase up to 10% of the total outstanding shares at that time.

On February 13, 2020 SBM Offshore initiated a EUR150 million share repurchase program, with the objective of share capital reduction and, in addition, to provide shares for regular management and employee share programs. The repurchase program was completed on April 3, 2020. The execution of the share repurchase program was done under the terms of an engagement letter with a third-party and performed in compliance with the safe harbor provisions for share repurchases. In accordance with the European Market Abuse Regulation, the Company informed the market through weekly press releases and updates on its website. In 2020, 10,000,000 shares in the capital of SBM Offshore were cancelled. The cancellation of shares is executed under the authorization of the 2019 AGM resolution. More information can be found in section 4.2.4 of this Annual Report.

3.2.7 EXTERNAL AUDITOR

The external auditor of SBM Offshore is appointed by the General Meeting of Shareholders on the proposal of the Supervisory Board upon the selection process and nomination of the Audit and Finance Committee and the advice of the Management Board.

PricewaterhouseCoopers Accountants N.V. ('PricewaterhouseCoopers') was first appointed during the 2014 AGM and re-appointed during the 2018 AGM for a

period of three years and ending with the audit of the financial year 2020. Pursuant to the Dutch Auditors Profession Act (*Wet op het accountantsberoep*), the audit firm of a so-called public interest entity (such as a listed company) is required to be replaced if the audit firm has performed the statutory audits of the company for a period of ten consecutive years. This would allow PricewaterhouseCoopers to be re-appointed at the 2021 AGM for the audits of the financial years 2021-2023. Such re-appointment will be proposed at the 2021 AGM. Based on auditor independence requirements, the lead auditor in charge of the SBM Offshore account is changed every five years.

The external auditor attends all meetings of the Audit and Finance Committee, as well as the meeting of the Supervisory Board at which the financial statements are approved. The external auditor receives the financial information and underlying reports of the quarterly results and is given the opportunity to comment and respond to this information.

Pursuant to the Auditor's Profession Act, the auditors are prohibited from providing the Company with services in the Netherlands other than "audit services aimed to provide reliability concerning the information supplied by the audited client for the benefit of external users of this information and also for the benefit of the Supervisory Board, as referred to in the reports mentioned". During 2020, a small number of limited-scope non-audit services were provided by foreign member firms of the PricewaterhouseCoopers global network, taking into account the external auditor's independence rules and SBM Offshore's policy in this regard.

3.2.8 STICHTING CONTINUÏTEIT SBM OFFSHORE

In this section, SBM Offshore's anti-takeover measures are described, as well as the circumstances under which it is expected that these measures may be used.

A foundation 'Stichting Continuïteit SBM Offshore' (the Foundation), was established on March 15, 1988. In summary, the objectives of the Foundation are to represent the interests of SBM Offshore in such a way that the interests of the Company and of all parties involved in this are safeguarded, and that influences which could affect the independence, continuity and/or the identity of the Company in breach of those interests are deterred. The Foundation will perform its role, and take all actions required, at its sole discretion. In the exercise of its functions it will, however, be guided by the interests of the Company and the business enterprises connected with it,

and all other stakeholders, including shareholders and employees.

The Foundation is managed by a Board, the composition of which is intended to ensure that an independent judgement may be made as to the interests of the Company. The Board consists of a number of experienced (former) senior executives of multinational companies: Mr. A.W. Veenman, Chairman, Mr. B. Vree, Vice-Chairman, Mr. R.H. Berkvens, Ms. H.F.M. Defesche and Mr. J.O. van Klinken. To be kept informed about the business and interests of the Company, the Chairman of the Supervisory Board, the CEO and the CGCO are invited to attend the Foundation Board meetings.

The Management Board, with the approval of the Supervisory Board, has granted a call option to the Foundation to acquire a number of preference shares in the Company's share capital, carrying voting rights, equal to one half of the voting rights carried by the ordinary shares outstanding immediately prior to the exercise of the option, enabling it effectively to perform its functions, at its sole discretion and responsibility, as it deems useful or desirable.

The option agreement between SBM Offshore and the Foundation was last amended and restated in 2011, to reflect a waiver by the Company of its put option and the alignment of the nominal value of the protective preference shares with the nominal value of ordinary shares by reducing the nominal value of EUR1 to EUR0.25 and the related increase in the number of protective preference shares, as per the amended articles of association of the Company. The Foundation is independent, as stipulated in article 5:71 (1) (c) Financial Markets Supervision Act.

3.2.9 OTHER REGULATORY MATTERS

CONFLICTS OF INTEREST

The members of the Management Board have a services contract with SBM Offshore N.V. These contracts stipulate that members of the Management Board may not compete with the Company. Conflict of interest procedures are included in the Management Board and Supervisory Board Rules, the Company's Code of Conduct and the Corporate Governance Code. In 2020, there were no conflicts of interest in relation to the members of the Management Board and Supervisory Board reported, which means that the Company is compliant with best practice 2.7.3 to 2.7.4 of the Corporate Governance Code.

In 2020, SBM Offshore did not enter into transactions with persons who held at least ten percent of the shares in the Company. The Company is compliant with best practice 2.7.5 of the Corporate Governance Code.

3 GOVERNANCE

REGULATIONS CONCERNING OWNERSHIP OF AND TRANSACTIONS IN SHARES

In addition to the Company's Insider Trading Rules, the Supervisory Board Rules and Management Board Rules contain a provision stipulating that Supervisory Board and Management Board members will not trade in Company shares or other shares issued by entities other than the Company on the basis of share price sensitive information if this information has been obtained in the course of managing the Company's business. For information about the shares (or other financial instruments) held in SBM Offshore N.V. by members of the Management Board, reference is made to section 4.3.6 of the notes to the consolidated financial statements.

CHANGE OF CONTROL

The Company is not a party to any material agreement that takes effect, alters or terminates upon a change of control of the Company following a take-over bid as referred to in section 5:70 of the Dutch Financial Markets Supervision Act, other than as mentioned in this paragraph.

SBM Offshore N.V. has a revolving credit facility agreement under which the approval of the participating lenders must be obtained in the event of a change in control of the Company after a public take-over bid has been made. Certain vessel charter contracts contain clauses to the effect that the prior consent of the client is required in case of a change of control or merger or where the company resulting from such change of control or merger would have a lower financial rating or where such change of control or merger would affect the proper execution of the contract. In addition, local bidding rules and regulations (e.g. in Brazil for Petrobras) may require client approval for changes in control. A change of control clause is included in the services contract between the Company and each of the members of the Management Board.

EXECUTIVE COMMITTEE

Since the end of 2012, an Executive Committee has been in place. The Executive Committee facilitates decision-making without detracting from the exercise of statutory responsibilities by the members of the Management Board and the internal company authority matrix. Currently, the Executive Committee is comprised of the Management Board members, the Managing Directors of Floating Production Solutions, Global Resources & Services, Operations and Strategic Growth, New Energies & Services, as well as the Group HR Director and the Chief Strategy Officer. In principle, the Executive Committee meets on a monthly basis. In the meetings both strategic and operational topics are discussed. In 2020 more frequent meetings took place in view of the COVID-19 pandemic.

DIVERSITY

Recognizing the international nature of our business, SBM Offshore finds it important to leverage the diversity of perspectives and knowledge available in our organization. The Company views diversity as an integral part of creating value. Therefore significant attention is being paid to diversity aspects in the recruitment of staff and management, appointment to roles, retention of employees, succession planning, talent management, training and development. Diversity elements that have been identified as relevant for the Company are diversity in nationality/cultural background, age, gender and (work)experience.

The same applies for Management Board and Supervisory Board positions whereby in relation to gender diversity the target is to have a minimum of 30% women and a minimum of 30% men on each of the Boards. In the succession planning of both the Management Board and the Supervisory Board, the set diversity aspects, objectives and targets are considered. More than for re-appointments, whereby experience and good performance are weighing heavily on the decision, new appointments offer opportunity to re-balance when needed. Further details of can be found in the Supervisory Board and the Management Board diversity policy which is published on the Company website.

Diversity objectives :

- *Diversity in nationality:* SBM Offshore is active in many regions and countries worldwide. The aim is to have due representation in these regions and countries in the Management Board, the Supervisory Board and the wider organization. In 2020 the members of the Management Board cover four and the members of the Supervisory Board cover five nationalities. Two additional nationalities are represented in the Executive Committee.
- *Diversity in age:* the age range of the Management Board members is between 49 and 60 years; for the Supervisory Board the range is between 48 and 71 years. The Executive Committee age range is between 45 and 59 years.
- *Diversity in gender:* the target is to have a minimum of 30% women and a minimum of 30% men on each of the Management Board and Supervisory Board. The Management Board currently consists of four males (100%). The Dutch Government announced new legislation with a mandatory quota of 33.33% on gender representation in the Supervisory Board. At year-end, the Supervisory Board consists of two females (25%). The Executive Committee (excluding the Management Board) consists of three female members (50%). In view of meeting the target set by the announced legislation explicit attention will be paid to gender diversity in the

succession planning and talent pipeline for the Supervisory Board. Similarly, we strive for more gender diversity in the Management Board and will take that into account when there will be a vacancy. The Supervisory Board and Management Board Diversity Policy will be reviewed in 2021.

CODE OF CONDUCT AND REPORTING OF ALLEGED IRREGULARITIES

The Company has a Code of Conduct, which was updated in April 2018 and can be found on the Company’s website. The Company also has a procedure allowing employees to report alleged irregularities with respect to the Code of Conduct without jeopardizing their employment position. A free-phone and web-based reporting facility (the SBM Offshore Integrity Line) is in place, which employees can use – anonymously if they wish – in their own language. The facility is operated by an external provider, People Intouch. For more details on SBM Offshore’s compliance program reference is made to section 3.6.2.

COMPLIANCE WITH THE CODE

SBM Offshore complies with the principles and best practices of the Corporate Governance Code.
