LISTING

SBM Offshore has been listed on Euronext Amsterdam since 1965. The market capitalization as at year-end 2020 was US\$3.6 billion. The majority of the Company's shareholders are institutional long-term investors.

FINANCIAL DISCLOSURES

SBM Offshore publishes audited full-year earnings results and unaudited half-year earnings results, which include financials, within sixty days after the close of the reporting period. For the first and third quarters, SBM Offshore publishes a trading update, which includes important Company news and financial highlights. The Company conducts a conference call and webcast for all earnings releases and a conference call only for all trading updates during which the Management Board presents the results and answers questions. All earnings-related information, including press releases, presentations and conference call details are available on the SBM Offshore website. Please see the Financial Calendar of 2021 at the end of this section for details of the timing of publication of financial disclosures for the remainder of 2021.

In 2018, the Company expanded its 'Directional' reporting. In addition to the Directional income statement, reported

since 2013, a Directional balance sheet and cash flow statement are also disclosed in section 4.3.2 of the Consolidated Financial Statements. Expanding Directional reporting aims to increase transparency in relation to SBM Offshore's cash flow generating capacity and to facilitate investor and analyst review and financial modeling. Furthermore, it also reflects how Management monitors and assesses financial performance of the Company. Directional reporting is included in the audited Consolidated Financial Statements in section 4.3.2.

DIVIDEND POLICY & CAPITAL ALLOCATION

The Company's policy is to maintain a stable dividend, which grows over time. Determination of the dividend is based on the Company's assessment of its underlying cash flow position.

Regarding capital allocation, the Company prioritizes payment of the dividend, followed by the financing of growth, with the option thereafter to repurchase shares, depending on residual financial capacity and cash flow outlook.
